NOTICE OF PUBLIC HEARING

The Burbank Unified School District will hold a public hearing on March 16, 2023, to gather public input regarding the potential composition of trustee area boundaries.

The Burbank Unified School District is currently a city-wide election system where Board members are elected by voters of the entire District. On December 15, 2022, the Board adopted a resolution, signaling its intent to transition to by-trustee area elections commencing with the 2024 election cycle. In a by-trustee area election system, each Board member must reside within the designated trustee area boundary and is elected only by the voters in that trustee area.

On December 15, 2022, the District's legal counsel, Lozano Smith, also presented information on the transition process and potential criteria for drawing the trustee area boundary maps.

On January 19, 2023, the District's legal counsel and demographer, National Demographics Corporation, provided information on the transition process and potential criteria for drawing the trustee area boundary maps. Following the presentations, the Board held the first of two statutorily required hearings to receive input from the community on the trustee-area map creation process, pursuant to Elections Code section 10010(a)(1), prior to the drawing of draft maps.
